

Application for Holocaust Grant

The S.C. Council on the Holocaust, created by the S.C. General Assembly in 1989, is charged with the obligation to honor S.C. Survivors and Liberators and to promote Holocaust Education. As an agency of the state, the Council insists on financial accountability. As you prepare your project application and budget, be mindful of the Council's obligations. Also, remember that the Council insists on a project completion report with budget results. Don't hesitate to discuss your project plans, execution, or budget matters with Selden Smith, Carl Evans, Eileen Chepenik, Leah Chase, or any Council member.
